Re: Departure of Paul L. Hickman & Associates

Dear Mr. Yoshikawa:

Please be advised that Paul Hickman and Brian Coleman have left the firm of Oppenheimer Wolff & Donnelly LLP to join the law firm of Perkins Coie LLP located in Menlo Park, California. Accordingly, since they were previously responsible for your case(s) at Oppenheimer, you must now decide whether you wish to have the new firm assume responsibility for this case, or have attorneys at Oppenheimer continue to prosecute the application. Should you wish to have Mr. Hickman or Mr. Coleman continue prosecution of this application, please so indicate by signing paragraph (1) on page 2 of this letter so that we can forward the file(s) to them. On the other hand, should you wish to have Oppenheimer continue to prosecute the application, please so indicate by signing paragraph (2) also located on page 2.

We have attached for your review a brief status report that sets forth all of the applications that are on file with this office. The report gives the application number, filing date, title, etc. Please review the report, and then return page 2 of this letter to us via facsimile at your earliest convenience.

If you have any questions or need any additional information, please do not hesitate to contact us.

Very truly yours,
OPPENHEIMER WOLFF & DONNELLY, LLP
